

...From the

bottom of my heart

I don't thank you enough for the help you've given me,
for your consideration, for your kindness, for your
generosity, and for your help in getting me through
this difficult time. I know you're busy, but I
know you'll find time to help me. I know you'll
find time to help me. I know you'll find time to
help me. I know you'll find time to help me.

Thank you very much,
also from Beverly

P.S. - Oh, the one that put the
epidemiologist together.

Thank You
